

Treat Yourself to a

Song Bath

with the

Santa Fe Threshold Singers

Join the Santa Fe Threshold Singers to experience the comfort of loving song wherever you are in life's journey. You may sit or recline, close your eyes, and let our voices soothe you.

This is an experience of kindness made audible. We sing gentle, non-religious songs using soft, soothing voices to convey ease and comfort.

Every 4th Friday of the month

2:00 – 4:00 p.m.
